

Title: Obstetrics and Gynecologist (OB/GYN)**Company: The Reproductive Care Centre****Location: Mississauga and/or Oakville Location****Clinic Profile:**

Established in 1999, The Reproductive Care Centre ("RCC") is a full-service fertility clinic providing infertility treatments for patients living in and around southern Ontario. Equipped with a leading-edge laboratory for advanced reproductive technologies, RCC is conveniently located in Mississauga with easy access from highways 401, 403, 407 and the QEW. RCC is dedicated to its mission of delivering patient-centered care with the goal of making each patient feel respected, safe, informed, empowered, and supported. Furthermore, RCC strives for continuous improvement of their services through investing in cutting-edge technologies, promoting continuing education and self-assessment, and by inviting input from patients, staff, and industry experts within the fertility community. The Reproductive Care Centre is a part of The Fertility Partners' clinic network. The Fertility Partners is a growing network of trusted fertility clinics. Their aim is to be the business partner of choice for leading IVF and prenatal practitioners, with the goal of delivering global best clinical outcomes, operational excellence, and exceptional patient experiences.

Job Description:
