CAREER FAIR

New This Year — SOGC is hosting a Career Fair

Are you interested in seeking new career opportunities? Unemployed, employed but looking for something new to do such as Locums? **Come join the Career Fair in Toronto**, an SOGC organized event and meet with representatives from across Canada who are seeking qualified candidates for their facilities. In other words, recruiters will be there to find you! By attending this event, you will benefit by networking face to face with recruiters in a less stressful environment and learning more about career/employment prospects.

Where: Toronto Marriott Downtown Eaton Centre

When: Thursday, December 3, 2009

Hours: 08:00 – 16:00

Registration: FREE

For additional information and to register for this event, please complete the 28th Ontario CME 2009 registration form online at www.sogc.org and select Career Fair.

In association with Ontario Society of Obstetricians and Gynaecologists (OSOG)

28TH ONTARIO CME

DECEMBER 3–5, 2009

TORONTO, ONTARIO

Marriott Downtown Eaton Centre

PRELIMINARY PROGRAM

THIS CME PROGRAM IS OFFERED IN ENGLISH.

THE SOCIETY OF OBSTETRICIANS AND GYNAECOLOGISTS OF CANADA

780 Echo Drive, Ottawa, Ontario K1S 5R7

Tel: 1-800-561-2416 or (613) 730-4192 Fax: (613) 730-4314 events@sogc.com www.sogc.org

Learning Objectives

At the end of this CME conference, participants will be able to:

- Discuss relevant clinical updates in obstetrics and gynaecology.
- Apply SOGC Clinical Practice Guidelines to daily practice.
- Participate in an interactive educational environment.
- Discuss difficult cases relevant to their practice.
- Use computer technology in their professional practice.

Delegates are encouraged to bring and discuss challenging clinical cases in the Best Practice Breakout (BPS) sessions.

Credits

ALARMS in Labour and Risk Management Course

Sunday, December 6 to Monday, December 7, 2009 (08:00-17:00) at the Toronto Marriott Downtown Eaton Centre

An intensive two day course including the most recent clinical guidelines on high risk conditions during labour and delivery. The course includes “hands-on” workshops, group discussions and a practical exam. This Canadian course is aimed at educating specialists, family physicians, midwives and nurses. The course is limited to 40 participants and therefore we cannot guarantee availability. Prior to registering, please visit our Web site at www.sogc.org to confirm availability or contact: Melissa Gauthier, ALARM Program Coordinator, at 613-730-4192 ext. 326 or mgauthier@sogc.com.
