

Obstetrics/Gynecology Locums and Permanent Positions

The Algoma District Medical Group (ADMG), part of the Group Health Centre (GHC) is currently seeking an Obstetrics/Gynecology Locum for a short-term locum with an immediate start until October 10th as well as a longer leave period November 8, 2021 through to January 30, 2022. Coverage is required for a flexible practice that includes clinics and hospital on call. In-office clinics consist of 6 hours of booked patients with office space and all supports (including RPN). Clinics in office are paid a stipend of \$1,400/day and hospital on call is paid on a fee for service plus HOCC stipend basis (approximately 4-5 calls per month). Expense reimbursement is also available.

Candidates must hold an undergraduate medical degree, have successfully completed post graduate training and/or have an unrestricted license to practice medicine with the College of Physicians and Surgeons of Ontario. Candidates must possess all required skills to provide services for patients in both office and in-hospital settings

The GHC provides a progressive, multi-specialty, ambulatory care health facility that serves over 60,000 Sault Ste. Marie and Algoma District residents.

We are also looking for on call coverage during these periods. This is funded through a mix of expense reimbursement from Ontario Health Northern Specialist Locum Program (OH NSLP), a \$1400/day sessional or FFS through the ADMG and the HOCC stipend of approx. \$475/shift.

A clinic day can be attached to any on call weekend.

Sault Area Hospital (SAH) has approximately 2700 dedicated staff, physicians and volunteers who work together to deliver outstanding care and services to a catchment population of

approximately 115,000. With an approved complement of nearly 300 beds in spectacular new facilities, SAH provides primary, secondary and select tertiary services to residents in Sault Ste. Marie and the District of Algoma. In addition to providing core services in Emergency and Critical Care; Medicine; Surgery; Obstetrics, Maternity and Paediatrics; Mental Health and Addictions; Complex Continuing Care; and Rehabilitation, SAH is also home to the Algoma Regional Renal Program and the Algoma District Cancer Program.

Sault Ste. Marie is located on the St. Mary's River between Lake Huron and Lake Superior on the U.S./Canadian border. The Sault has all the amenities of a regional urban centre, with both the Canadian wilderness and extraordinary vacation areas in Michigan just minutes away. There is a strong cultural and arts basis in the community, and both winter and summer outdoor activities abound. The Sault has an excellent school system and offers a multitude of sports and artistic opportunities for children and adults alike. Sault Ste. Marie is served by three Canadian airlines as well as one major U.S. airline.

Affiliation with the Northern Ontario School of Medicine provides opportunities to teach both medical students and residents in office and hospital.
