At Cortellucci Vaughan Hospital and Mackenzie Richmond Hill Hospital, we have many opportunities for passionate professionals like you, who share our commitment to quality, timely patient-centered care. Ultimately, this is where you want to be.

Position Overview

Mackenzie Health is currently recruiting a board-certified Obstetrician Gynecologist with subspecialty training in Minimally Invasive Gynecologic Surgery (FTE: 1.0) to continue building the growing MIGS division. The Physician will work in collaboration with the other members of the Department to perform all professional duties in the area of Gynecology. Applicants should be fellowship trained and have strong clinical and surgical experience in complex gynecological disorders. There will be shared GYN call responsibilities amongst the other department members, but no Obstetrical call required. The Physician will have access to multiple elective OR days per month, acute GYN clinic and state of the art equipment at both sites.

Competencies:

The Physician must demonstrate the following competencies:

• complete appropriate assessments of patients with resources available.
• Subspecialty training in colposcopy an asset
• Comply with the call schedule established by the Chief of Obstetrics and Gynecology to ensure that Hospital services are covered 24 hours a day, seven days a week.
• Be available for consultation with professional colleagues during inpatient days.
• Participate in quality improvement projects within the department.
• Participate in staff and departmental meetings.
• Maintain clinical acumen and skills within scope of practice.
• Demonstrate excellence in clinical care.
• Abide by the Professional Staff By-Law and Professional Staff Rules of the Hospital and the Public Hospital Act and other applicable legislation.
• Demonstrate understanding of, compliance with, and commitment to patient safety responsibilities and corresponding program plans, policies and procedures to ensure a safe environment for patients.

Skills – Abilities

• Excellent communication and interpersonal skills.
• Ability to perform the essential duties of the job.
• Strong clinical and operative gynecologic skills
• Demonstrates behaviours consistent with Mackenzie Health’s Commitment to Caring.
• Models behaviour that is aligned with the values of Mackenzie Health – Excellence, Leadership and Empathy.
• Commitment to providing an exceptional experience for staff and clients within a challenging and exciting healthcare environment.
• Demonstrates understanding and contributes to patient and staff safety.

Education – Certification – Licenses

• Medical degree approved by the College of Physicians and Surgeons of Ontario (CPSO) required.
• Certification in Obstetrics and Gynecology as recognized by The Royal College of Physicians and Surgeons of Canada (RCPSC) or equivalent as recognized by the Provincial Licensing Body required.
• Canadian Medical Protection Association in good standing.
• Fellowship certification in Minimally Invasive Gynecologic Surgery

Renumeration

• Fee for service
• HOCC for on-call

Deadline

August 1, 2024 or until position is filled.

Mackenzie Health is an inclusive and equal opportunity employer committed to providing accommodations for applicants upon request at any stage of the recruitment process in accordance with the Accessibility for Ontarians with Disabilities Act (AODA) and the Ontario Human Rights Code.

We thank all applicants for their interest, however, only those under consideration for an interview will be contacted.

Interested candidates should submit their CV to:
