Community General Obstetrician-Gynaecologist, Department of Obstetrics and Gynaecology, Dalhousie University, IWK Health, Central Zone Nova Scotia Health

The Department of Obstetrics and Gynaecology, Dalhousie University invites applications for a full-time, fee-for-service position as a Community General Obstetrician-Gynaecologist. Candidates should possess an FRCSC or equivalent certification.

The successful applicant will be community-based within Halifax Regional Municipality, and have admitting, obstetrical and operating privileges at IWK Health and Nova Scotia Health (Central Zone) in Halifax, Nova Scotia. The IWK is a tertiary obstetrical site. The candidate should possess strong surgical and obstetrical skills, as well as experience in the management of emergency and ambulatory patients.

Faculty members report to the Department Head. The successful candidate will hold a clinical academic appointment with Dalhousie University. IWK Health is an academic site with medical students and residents. The candidate will be involved with postgraduate and undergraduate medical education.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. Applicants should submit their Curriculum Vitae along with an Application Letter stating their interest and suitability for the position by June 25, 2021.

Please forward applications to:
